[EJ IWG Climate Impacts April 20 Notes \(Eisenhauer, Emily\).docx](#)

Hi team,

Notes from yesterday's call are attached. I have also pasted the links to Georgetown Climate Center's Adaptation Clearing House and SBA's resource map example from Joanna. Please review these resources and make notes to what may need to be added or removed with regard to your agency. Come prepared to discuss during our next call!

### **Agenda**

1. Recap of last meeting's info ask
  - Decision to continue working through this subcommittee and not elevate to the main IWG
  - Draw on already publicly available information to avoid clearance issues

  - Update 2011 resource document on EJIWG website
- **Potential Projects**
  - A menu of resources and programs that can address community needs
  - A list of communities addressing climate change and EJ to identify best practices and useful information resources
- **Next steps**
  - Review agency implementation reports to extract information
